

Coronavirus Disease 2019 (COVID-19) Policy

As you are likely aware, the world health community continues to monitor closely the emergence of the SARS-CoV-2 virus and the disease it causes, named COVID-19. The WHO had already declared COVID-19 a global pandemic. This means that there is worldwide outbreak for which no known prevention or immunity currently exists.

As a parent here at Autumn Creek Learning Center, you acknowledge that by bringing your child here to preschool, you understand the risk of potential exposure to COVID-19 and the preschool cannot be held liable or responsible in any way or form. We are committed to keep the preschool safe by following all the CDC safety guidelines, getting tested and eventually vaccinated. In the meantime, we are making sure all the toys, surfaces that are frequently touched and play structures are disinfected at all times.
