

WELCOME TO THE LITTLE BEAR CLASS!

September 2021

Dear Little Bear Families,

Welcome to the Little Bear class. We are so excited to be starting this school year with all of you. The Little Bear Teachers want to thank you for entrusting your precious children to us. We look forward to a year of learning and fun together! We are always available to answer any question and look forward to working with each family.

HELPFUL INFORMATION AND REMINDERS

For fall conference we will be having in person at patio and discuss about your child development.

- **Art file:** Your child will have their own art file. We will also be putting notes from teacher, newsletters, and other important school information in their files too! At the end of the week, we will give you everything in their file.
- **Primary Care:** Each child is assigned to a primary teacher. Your child's primary teacher will track your child's development throughout the school year, meet with you for conferences, share developmental anecdotes with you and create an end of year portfolio. If you have any questions about your child's development don't hesitate to speak with your child's primary teacher. Diana, May, Poornima, Yvette and Kala will communicate about each child's day so anyone of us will be able to answer any questions you may have about the day's happenings. You can do so via email or phone call.
- **Labeling items:** Please be sure to label all items which come into school with you (clothing, bedding, sippy cups, special "lovies", etc.) Many of our friends have things that look the same or are the same and we want to make sure what ever comes to school with you goes home with you!
- **Toys at school:** Please do not bring additional toys to school as we are not responsible for lost or stolen toys. It may ease transitions into the classroom but if you talk with us, we can give you helpful hints on transitioning without the extras.

Dates to remember...

Sept. 6th ~ CLOSED for Labor Day

Picture day – Sept – 8 & 9

Book Fair – 13th to 17th
