

# Music with Ms. Jan

## Songs for October

Everyone loves October and especially the children and parents who love Halloween.

***October Rocktober*** is an all time favorite rock and roll tribute to the joy of autumn and is a drumming and hand motion song.

*Looking for **Dracula*** is a fun and silly take off of *Going on a Bear Hunt*.

We also have a listening activity in which we ride horses and act out the hunting hounds and fox in a fox hunt. The music is "**Autumn**" from Vivaldi's *Four Seasons*.

We will do finger plays with ***Five Little Pumpkins, Where is Pumpkin?*** and learn about the human skeleton with "***Dem Bones.***"

We will play a circle game with "***Witch Witch Fell in a Ditch***" and dance to the ***Autumn Falling Leaves song.***

***Halloween is Coming***

***Big Pumpkin (book and song), and***

***One little two little Three little Witches***

We will also sing candy songs like ***Lollipop, The Lollipop Tree and The Candy man.***
